

Vendor Application

2012 CAYUCOS SEA GLASS FESTIVAL

We are pleased to invite you to apply for a booth at the Cayucos Sea Glass Festival in the Cayucos Vet's Hall, located on the Pacific Ocean at the base of the pier. This year's festival will be a two day event - March 10-11, and we also encourage vendors to attend our Friday Night Mixer (March 9) for a meet-and-greet, and a chance to scout out booth locations.

Due to the amount of applications last year, this year will be a juried event, and we ask that you submit your application by mail only (no on-line applications or photos accepted). We allow one business per booth (no shared booths) and each Vendor must agree to participate both Saturday and Sunday. We've expanded to allow for more Vendors this year - half will be in the Vet's Hall and half will be in an adjacent enclosed tent overlooking the ocean. You may request your preference for either location, and we will do our best to accommodate you, but make no promises. Availability will be determined by requested booth size, need for electricity, layout, etc...and requests will be met in order of receipt of application. Please note that if your application is not selected in the first round, you will be placed on a waiting list in case there are cancellations. Absolutely no dogs allowed in the Vet's Hall.

- All artists must be self-representing and present in their booth, no reps.
- Creations must be made by the artist, no buy/sell or items crafted not by the artist(s).
- Only authentic, natural sea glass shall be used and sold at the event

Our Vendor spaces are approximately 6'x8' and include one 8' table with one table cloth and 2 chairs. Free power will be supplied to the first four vendors who sign up – so apply early! Please feel free to bring your own items that will fit within your space.
